MEMORANDUM FOR: Commander Dick Wilson
Department of the Navy, NAVERS

SUBJECT: Itak Proposal No. 3195.01
Entitled "24 Inch Panoramic
Camera" Dated 14 January 1964

1. The subject proposal has been reviewed by technical and security representatives of this division and, with the exceptions noted below, it is our determination that the manufacture and use of the camera system as proposed will not compromise the security of existing programs. It is our understanding that the hardware and allied paper will be classified ~~TOP SECRET~~.

2. This office does take exception to statements in the proposal which indicate that component parts of the system have been flight proven. These statements occur in the first paragraph on page one and in the first paragraph of page six. Itak will be directed to rewrite the proposal and eliminate the indicated statements.
